Dear Parent / Guardian:

St. Mary Academy Bay View will be screening the ninth grade students for vision problems. This testing is required by law and will be done at Bay View free of charge. The consent form further explains the procedure. If your daughter has been tested recently by her own eye Doctor, a report must be sent from the Doctor prior to the screening. If you prefer to have your daughter tested by her own physician please have an appointment scheduled and the report sent to school for her record. Please return the completed form to me at school before the Holiday break. This will avoid adding to the pressure of the Holiday Season. In addition to completing the section below also complete the form for Saving Sight. Thank You!

S. Delores Arruda,
School Nurse

I wish to have my daughter tested.

I Do Not wish to have my daughter tested but will provide the required documentation from her Eye Doctor.

I Do Not wish to have my daughter tested but have scheduled an appointment with her Eye Doctor on _____ and will send in the report when completed.
